Applied Intuition

03/2021 → 07/2021
SF Bay Area

Senior Product Designer

Led the product design on the two main revenue streams for the company. Given my previous experience, I was brought in to own and create the design systems for all six existing products and any future builds.

Ramp

06/2019 → 01/2021
New York

Product Designer

Joined as the founding designer for an enterprise facing fintech startup. I iterated on the core product functionality and owned the design system to create a source of truth for engineering to build and take to market.

IDEO

03/2019 → 06/2019
New York

Interaction Designer • Internship

Engaged in multiple projects; Humanistic AI and autonomous trucking, interactive wall for a museum, in-patient experience at a children's hospital and organizational design for a healthcare non-profit.

Smart Design

10/2018 → 12/2018
New York

Interaction Designer • Internship

Worked with clients to research and design products in financial technology, medical healthcare and AI voice assistants.

HBO

06/2017 → 08/2017
Seattle

UX Designer • Internship

Iterated and tested mobile designs, designed conversations with VUIs and started the redesign of HBOGO.com which launched as HBO Max.

University of Washington

2014 → 2018
Seattle

Bachelors

Human Computer Interaction
